

Fact Sheet

Producers and policyholders alike choose Mutual Trust Life Insurance Company because we're a financially sound organization with a proud past and a clear vision for the future.

Overview

Mutual Trust Life Insurance Company, a Pan-American Life Insurance Group Stock Company, develops, underwrites, and services individual life insurance and annuities. Known as The Whole Life Company®, our expertise is participating whole life insurance—the foundation of sound financial planning.

History

Mutual Trust was founded in 1904 on the principles of mutuality and policyholder participation. Throughout the years we have continued to provide life insurance products designed to maintain value over time, and to provide our policyholders with protection and wealth management while maintaining excellent financial strength.

In 2015, Mutual Trust became a wholly owned subsidiary of Pan-American Life Insurance Group (PALIG). PALIG, a mutual holding company, is a leading provider of insurance and financial services throughout the Americas and has been delivering trusted financial services since 1911.
