Our Mutual Advantage: Mutual Trust Life Insurance Company is a wholly owned subsidiary of the Pan-American Life Insurance Group (PALIG) and operates within a mutual holding company structure. This means we are owned by our policyowners, not shareholders. As a policyowner, you will be our first priority, not investors or other outside interests. Mutual Trust was founded in 1904 on the principles of mutuality and policyholder participation, values we continue to embrace today. So while dividends are not guaranteed nor required by law, our financial strength and sound management has enabled us to pay them to owners of our participating products for more than 100 years.

Mutual Trust is "The Whole Life Company."TM
